

## MURCIA MATCHPLAY LEAGUE

### OCTOBER FIXTURE - RESULT

#### HRGS vs MGP (Mar Menor) GS

Games: Won – 4, Halved – 0, Lost – 0.

Match: Overall Win    League points: 9(8+1) - 0

#### HRGS vs MGP G.S. @ Condado de Alhama Golf

We finally got our MML season underway after the September fixture, the scheduled season start, was cancelled due to the rains from the Gota Fria storms which led to golf courses being closed. Other results yet from the following games

But it was worth waiting for!!

We began the match in great fashion with three of our four HRGS pairs comfortably up after nine (5 up, 3 up and 2 up) with only one pair slightly down. As we all know, things can change quickly in matchplay competition, but we held our leads to the finish, with the last pair managing to come from a deficit after nine to win their game too. A clean sweep of the four games in the end.

That gave us eight league points plus a bonus point for winning all games...giving us a total of nine league points. I think we have only done this once before. Lets hope the form continues, but for now.....

**.....HRGS are top of the MML league!!!!**

Looking at the matchups on the cards, most of our pairs were up against pairs of similar handicapped players, so it was not the easy victory it may appear. Our teams just played better on the day. There are no poor teams in the MML.
